Iveco Group terminates collaboration with sender

**PRESS
RELEASE**

Turin, 16 September 2022. Iveco Group (MI: IVG) announces the unwinding of the relationship with sender Technologies, which was related to their logistics services. The Group will move forward with its own advanced application programming interfaces to enhance its fleet management offer, through standalone solutions as well as via new collaborations.

Iveco Group N.V. (MI: IVG) is the home of unique people and brands that power your business and mission to advance a more sustainable society. The eight brands are each a major force in its specific business: IVECO, a pioneering commercial vehicles brand that designs, manufactures, and markets heavy, medium, and light-duty trucks; FPT Industrial, a global leader in a vast array of advanced powertrain technologies in the agriculture, construction, marine, power generation, and commercial vehicles sectors; IVECO BUS and HEULIEZ, mass-transit and premium bus and coach brands; IDV, for highly-specialised defence and civil protection equipment; ASTRA, a leader in large-scale heavy-duty quarry and construction vehicles; MAGIRUS, the industry-reputed firefighting vehicle and equipment manufacturer; and IVECO CAPITAL, the financing arm which supports them all. Iveco Group employs approximately 34,000 people around the world and has 28 manufacturing plants and 29 R&D centres. Further information is available on the Company's website www.ivecogroup.com
